

Welcome to 4th Grade!

I hope you enjoy your summer and have a lot of fun! I am asking that you read two books this summer. The required book is *Tales of a Fourth Grade Nothing* by Judy Blume. Once you have read this book, you will pick any two activities from the choice board. The other book is any novel you would like! Once you have read this book, please complete the Amazon Review. Please bring these on the first day of school. I can't wait to hear about all the books you read!
